## Historical Background

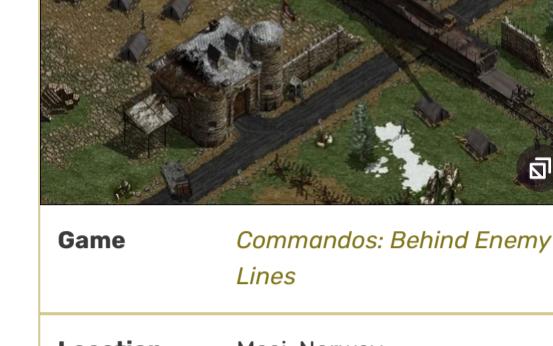

Norwegian spring advances. Operation Barbarossa, the German attack on the Soviet Union, is being prepared for the next month. Several essays are taking place in Norway.

## Objectives

As a part of this rehearsal, the long range cannon Leopold will be used to attack some positions of the Norwegian Resistance, before being carried to the Eastern front.

The objective of this mission is to shut down this dangerous weapon.

## Menace of the Leopard

**Game** *Commandos: Behind Enemy Lines*

**Location** Masi, Norway

**Date** May 10, 1941

**Previous Mission** Blind Justice

**Next Mission** Chase of the Wolves

**Objectives** Destroy railway cannon

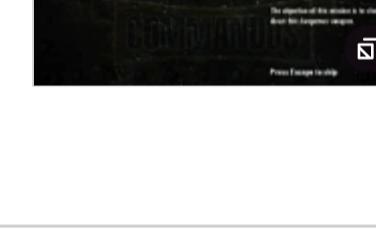

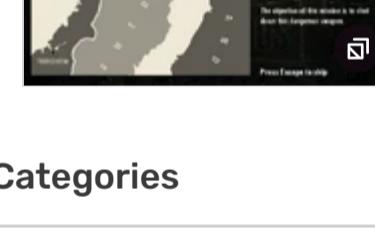

**Team** Green Beret  
Sniper  
Sapper

**Enemies** Regular soldiers

## Tactical Advice

Officer, there isn't much to say. You'll approach the zone from the northwest, find some way to gain access to the cannon, and render it useless. Then a truck will pick you up at the northeast. That's all I can say. That cannon must never fire again. Please be careful.
