Main menu

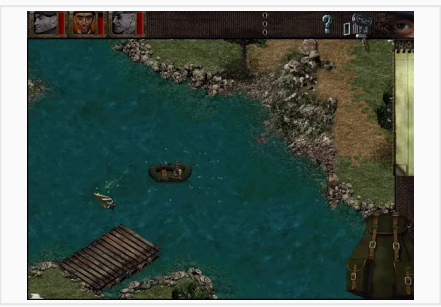

Opening FMV shows real WWII footage

German Stukas in real WWII footage

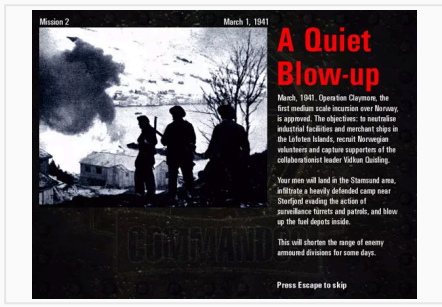

You can easily drive a truck ingame

You can dive or take a rubber boat across the river.

Green lights shows how far the guard can see

Mission info screen

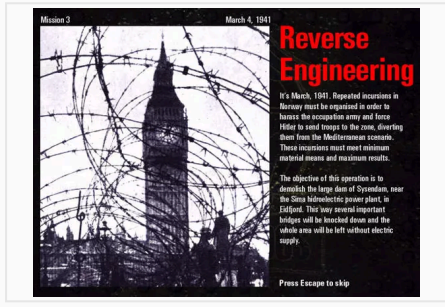

Watch out for the gunboat

Blown up the tanks to complete mission 2

Time to reach the safe point

Briefing, mission 3

Look at the tracks in the snow to see the guards' patrolling routes

Silently approach from behind with a Commando to use the knife

Looking for a way to destroy the dam

2 men dead in this mission

mission 4 briefing

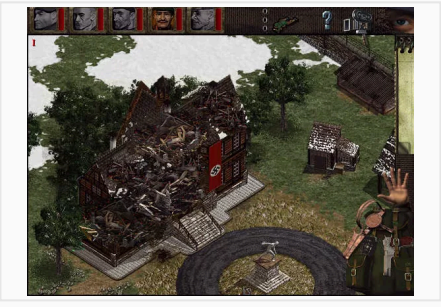

the map for mission 4

Sniper in action

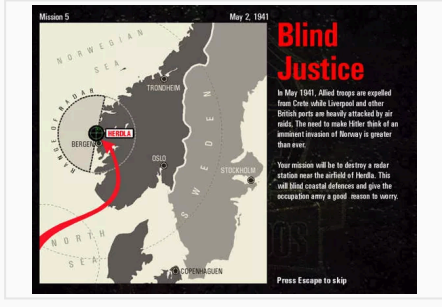

im going to use my sniper-scope

objective achieved for mission 4, the hq is blown up

making an escape at the end of a successful mission 4

mission 5 briefing

a pile of dead Nazis

the cable car

the mission objective, the radar station

using the aerogyro to escape

mission 6 briefing

mission completed

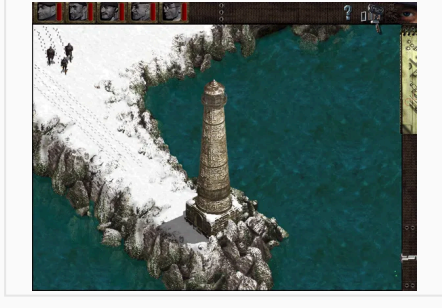

You can zoom out to see almost the entire map, though scrolling will go slower then.

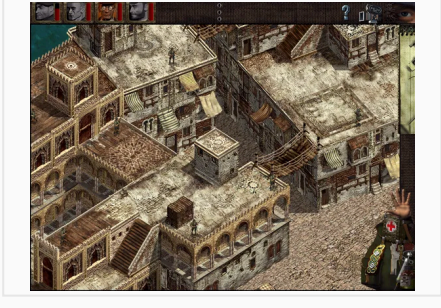

Or you can zoom in and get a feeling like if you're playing in 320x200 resolution.

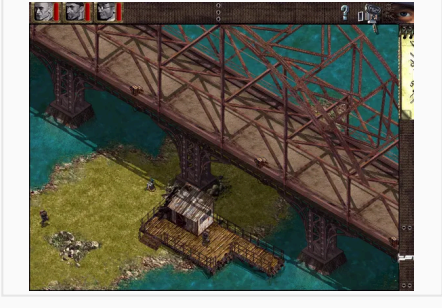

Great thing is that you can observe several locations at once with map-splitter.

Lighthouse

Africa

Hard to join this bridge
